## VISUALS OF PROBLEM SOLVING IDEAS

Visuals of problem solving ideas are provided for teaching teams to support children as they problem solve during the school day. They may be used to create a solution kit/box/basket or board.

Directions:

- Copy pictures.

- Laminate, if desired.

- Store in a handy container.

- Use when children need support generating several solutions to social problems.

One more minute.

Waiting one minute.

Rock Paper Scissors.

Sand timer.

Set a timer.

Say, "Maybe next time."

Ask nicely.

Eeny meeny miney mo.

Flip a coin.

Play using sand timer.

Take a break.

Talk to a teacher.

Be flexible.

Let's play together.

Make a new choice.

Trade.

Wait patiently for a turn.

Take a break.
